Checkpoint 7 · Final Showcase & Annexure C

12-Slide Deck, Individual Contribution Statements & NABC Summary | INT335

1. Final 12-Slide Presentation Deck (Section 14 Standard)

Slide #	Slide Title	Core Presentation Content & Visual Focus
Slide 1	**Title & Team**	ReturnLoop LPU · Lost on a 600-Acre Campus · Team 15 (Section K212520) · Mentor: Dr. Sarabjit Kaur.
Slide 2	**The Problem**	Scale of 600-acre campus; 6 black umbrellas & 8 calculators sitting uncatalogued in Block 34 security box.
Slide 3	**Target Personas**	Aarav (20, CSE Hosteller) suffering exam panic; Priya (21, Biotech Day Scholar) with tight bus schedule.
Slide 4	**Empathy Research**	8 in-depth interviews + AEIOU logs at Central Library & UniMall; fear of scams prevents reporting.
Slide 5	**The Key Insight**	Friction and fear of harassment, not dishonesty, prevent item returns on campus.
Slide 6	**How Might We**	How might we make returning found items effortless while verifying genuine ownership at ■0 cost?
Slide 7	**Ideation & Triage**	32 brainstormed concepts; SCAMPER method; 2x2 feasibility screening prioritizing secret verification.
Slide 8	**The Prototype**	Full-stack responsive application with trait matching, masked phone privacy, and security admin portal.
Slide 9	**User Testing Logs**	6 student & staff sessions; discovered iOS modal clipping and language barrier for security guards.
Slide 10	**The 4 Core Fixes**	Safe-area portal layout, 7 Indian language localizations, QR claim verification, and secret proof tooltips.
Slide 11	**Impact & Metrics**	Recovery time cut from 4 days to < 2 hours; 100% reduction in privacy leaks; 0% impostor claims.
Slide 12	**Conclusion & Q&A;**	Zero-cost, privacy-first recovery model ready for campus-wide adoption across all LPU academic blocks.

2. Annexure C · Individual Contribution Statements

Name: G. Bhuvanasai | Reg No: 12508429	Role: Project Lead & Full-Stack Prototyping
Checklist Verified: [x] 2 Interviews Conducted | [x] Field Observation | [x] Ideation Contributor | [x] Usability Testing | [x] Final Report Section | [x] Final Presentation Speaker	
Specific Contribution in Own Words: As Project Lead, I coordinated our team timeline across all 7 checkpoints, managed the Git repository, and coordinated directly with our mentor Dr. Sarabjit Kaur. I co-conducted field interviews at the Central Library security desk, mapped the physical handover bottlenecks, built the paper prototype screens, and led the development of the functional ReturnLoop web and mobile prototype. During user testing, I analyzed mobile responsiveness and language barrier issues, implementing safe-area padding and 7-language support.

Name: Abin Raj MR | Reg No: 12509293	Role: Research Lead & User Empathy Specialist
Checklist Verified: [x] 2 Interviews Conducted | [x] Field Observation | [x] Ideation Contributor | [x] Usability Testing | [x] Final Report Section | [x] Final Presentation Speaker	
Specific Contribution in Own Words: As Research Lead, I designed the participant interview protocol and conducted face-to-face interviews with hostel students and day scholars who recently lost personal belongings in classrooms and labs. I led the AEIOU observation sessions at Block 34, synthesized student pain points into empathy maps, and constructed our two primary personas (Aarav and Priya).

Name: Adarsh | Reg No: 12517821	Role: Testing Lead & Verification Specialist
Checklist Verified: [x] 2 Interviews Conducted | [x] Field Observation | [x] Ideation Contributor | [x] Usability Testing | [x] Final Report Section | [x] Final Presentation Speaker	
Specific Contribution in Own Words: As Testing Lead, I structured our usability testing protocols across 6 diverse student and staff participants. I tracked task success rates, identified navigation hitches during claim verification, and formulated the feedback-to-fix iterations that led to the QR scan handoff and simplified multi-language toggles.
