Separate permission for photographs, video and audio

Tick one choice in each row. Each permission is independent. Saying NO to any recording does not prevent you from participating.

Media type	YES	NO	What may be captured
Photographs	**[X]**	**[ ]**	Photographs of me, the interview or prototype activity.
Video recording	**[ ]**	**[X]**	Video of me during the interview or prototype activity.
Audio recording	**[X]**	**[ ]**	My voice and spoken interview responses.

Use and storage: Notes and recordings may be used only to document and analyse this academic project, prepare the project report or faculty presentation, and review prototype feedback. They will not be posted publicly or shared outside the project/faculty review without additional permission. The project team should store them securely, restrict access and follow faculty instructions for retention and deletion.

Participant declaration

I have read or had this form explained to me. I had the opportunity to ask questions. I understand that participation is voluntary and that photo, video and audio permissions are separate and optional. I freely agree to participate in this interview.
